

Nota Bene!

Scientific Medical Library

Siberian State Medical University

“Nota Bene!”

2017

2 issue

Dear Friends!

You have become the students of Siberian Medical University and, accordingly, the readers of the Scientific Medical Library.

Nowadays, the library is a modern informational center; it gives the opportunity of operative access to the newest issues covering different spheres and aspects of medicine.

Librarians of the Scientific Medical Library are always ready to provide you with information and resources, give any consultation. We hope that spending time in the library will be pleasant, comfortable and informative. We work for You!

tel.: 8(3822) 901-101, additional **1767**,

Step 1. Enter the web-site of the library by typing in the search line:
<http://www.medlib.tomsk.ru>

Step 2. Choose the working language

Step 3. In the section "Library Resources" Choose the link "Digital Catalogue":

The screenshot shows the homepage of the Scientific Medical Library of the Siberian State Medical University. A language selection menu is visible in the top right corner. A dropdown menu under "library resources" is open, with "Digital catalogue" highlighted. The main navigation menu includes "Главная", "Контакты", "Часы работы", "О нас", "Всё для учёбы", "Исследователю", and "Услуги".

Step 4. Log in to get access to digital collections of books (password – number of your library card)
 Choose the working language

The screenshot shows the "Electronic Catalog- standard search" interface. A language selection dropdown is on the left. The search area includes a "Keywords" input field and a "Search" button. Below the search area, there is a "receipts for 2017 - year" table and a "categories of documents" table. The "Foreign books (131)" link in the categories table is circled in red. An authorization box in the top right corner prompts for "Password / RFID / Number cheat. tickets" with a "ВОЙТИ" button. A statistics box for 08.17.2017 shows 2692 requests, 27 visitors, and 0 orders.

Then choose section «Foreign books»

2017
